Greater London Properties are pleased to present this stylish two double bedroom apartment with a recently refurbished bathroom suite, on the 5th floor of a period building, in the heart of Soho.

Property Overview:

Finished to a modern contemporary standard, both bedrooms feature plenty of built in storage space, as does the high spec open plan living/kitchen area. The kitchen comes fully fitted with washing machine, large fridge/freezer and dishwasher. The newly designed bathroom is of a large size and boasts a stunning walk in shower and the whole apartment boasts wooden floors and secondary glazing throughout. Being on the 5th floor and having double glazing means the apartment is silent and it's easy to forget you are living so centrally!

Location:

Archer Street is in the heart of Soho where restaurants, theatres, bars and patisseries surround the area, and the world-famous Covent Garden Piazza is only a short walk away where you can watch amazing street artists whilst browsing the markets and trying food and drink from around the world. The amazing shops on Regent Street and Oxford Street are again, only a short walk away. Soho is the creative heartbeat of London, filled with independent stores, famous venues, countless bars and fine restaurants.
